

Worood Kamil Shalash

Al-Shuhda, Baghdad, Iraq

Tel: +964-7822802027

E-mail: worood_almaliky@yahoo.com

PERSONAL INFORMATION:

Date of Birth: 17/9/1981

Gender: Female

Marital Status: Married

Nationality: Iraqi

EDUCATION:

Al-Nahrain University - College of Science 2010-2015
PhD in Biotechnology
Cytogenetic
Degree : v. good

Al-Nahrain University - College of Science 2003-2007
M.Sc. Biotechnology
Cytogenetic

Al-Nahrain University - College of Science 2000-2003
B.Sc. Biotechnology

EXPERIENCE:

Baghdad University -Ibn Al-Haitham Education College /Biology department Dec 2007
Occupy: Instructor

- Participated in the cell biology lectures teaching for 1st class.
- Cell biology laboratory.

Scientific research:

- Effect of contraceptive pills, fungal alkaloids and wild carrot seeds oil on apoptosis in albino female mice lymphocytes
- Assessment of DNA damage in women using oral contraceptives by using comet assay
- Assessment of apoptosis in women using oral contraceptives

Studying Subjects:

- Immunity
- Genetic
- Microbiology
- Biochemistry
- Fungal toxin
- Virology
- Plant tissue culture
- Animal tissue culture
- Metabolism
- Industrial microbiology

TRAINING:

Participate in conference and sessions related cytogenetic.

SKILLS:

Language -Fluent in Arabic and English

Computer knowledge Windows, Office
