Biography:

Taghreed Hashim Al-Noor is a Professor in the Department of Chemistry at Ibn-Al-Haitham Education for pure Science College, University of Baghdad, Iraq. She received her PhD in inorganic chemistry (1996) a Master in water pollution (1989). Currently she is serving as Editorial board member for more than 35 journals. Member of the ACS Festival Training (Institute 17 – 19 April 2018 Sharjah). Member of the International Union of Pure and Applied Chemistry (IUPAC) for 2017 . Founding and Chair: International Chemical Sciences Chapter of the American Chemical Society (ACS) in Iraq (2015). She is also a Member of OWSD (2014), Member of organization Global Association, Global IOSRD International Journals and Conferences. Technical Advisory Board for all associated international Journals of BEI-ESP and Member of Iraq Nanotechnology Society (INS) and has mentored 20 students in their MSc/PhD thesis and published more than 95 peer-reviewed research papers, 14 books and 3- Patents issued by the Ministry of Planning and Development Cooperation of Iraq (2015). member "Global Chemists' Code of Ethics" (GCCE) workshop participants – April 4 – 6, 2016, Kuala Lumpur, Malaysia

Research interest:

Experience in the area of coordination chemistry and environmental; Experience in the area of organometallic chemistry; Synthesis and Characterization of complexes; Pharmaceutical synthesis and Analysis
